Ultra fast transfer speeds

Stream S20's outstanding read/write speed is coupled with the latest USB 3.0 interface and is backwards compatible with USB2.0. The USB 3.0 interface features a 5 Gb/sec bandwidth which is 10x the bandwidth of a USB 2.0 interface. It saves users precious time backing up to and from the hard drive when transferring mass data files.

Smooth Aesthetic and Curvaceous Design

SP Stream S20 design concept comes from high-performance sports car. Front side of Stream S20 resembles sports car's low wind shear design as well as top and back-end. From any side Stream S20 displays its powerful performance. Metallic purple paint demonstrates its luxurious style and at the same time declares its superiority.
